

Miss. Therie Smith
West Topsham,
Vermont.

Graniteville, Vt.
March 27, 1907.

Dear Therie,-

I think I will now fulfil the promise that I made to you about a year ago. I have a cold, but it is better now.

How are all the folks over to West Topsham?

Our school begins April 8th and closes June 14th.

Has there been any Crusts over there this spring?

I would like to go over to West Topsham but I don't suppose that I could. One of the girls that is

in my grade got her leg
broken and her ankle
sprained sliding on a tra-
verse.

Her name was Myra
Hogge and she was 12 ~~years~~
years old.

Well I think I will close.

Your loving friend
